Brand Style Guide

Brand: Name

The legal name of the company is Expand Energy Corporation.
However, for brevity and in all subsequent references, please use “Expand Energy.”
Avoid referring to the company as “Expand.”

Brand: Mission and Values

Mission:

Expand energy access and opportunity by disrupting the industry’s traditional cost and market delivery structure.

Core Values:

STEWARDSHIP

Safety and environmental stewardship require excellence in the ordinary

CHARACTER

Integrity in every action

LEARN

Commit to continuous improvement through humility, curiosity and constant learning

COLLABORATE

Embrace diverse perspectives, confront the brutal facts, and speak with radical candor

DISRUPT

Challenge the status quo to achieve better outcomes for energy consumers

Brand: Color palette

To maintain brand consistency, please use these primary and secondary colors for all print and digital materials. Primary colors should be used in text and main graphic elements. Secondary colors provide color contrast in charts, graphs and tables.

Logo: Versions

PRIMARY COLOR:

For use on white and light backgrounds.

The primary color logo 'expand' is shown in blue. Below it are three color swatches with their respective color codes:

CMYK	100, 60, 0, 50	CMYK	70, 20, 0, 0	CMYK	100, 40, 0, 10
PMS	PANTONE 2955	PMS	PANTONE 284	PMS	PANTONE 285
RGB	0, 56, 108	RGB	51, 163, 220	RGB	0, 114, 180
HEX	00386C	HEX	33A3DC	HEX	0072B4

WHITE – ONE COLOR:

For use on dark backgrounds when the primary color logo cannot be read and/or multi-colored printing is not an option.

BLACK – ONE COLOR:

For use on white and light backgrounds when the primary color logo cannot be read and/or multi-colored printing is not an option.

Logo: Clear space and minimum size

CLEAR SPACE:

For visibility, impact and overall integrity, it is important to retain a designated clear space around the logo. The minimum clear area around the logo should be equal to the height of an “e” in the logo. Clear space should never be intersected or intruded upon by other graphic objects or an edge.

Logo: Background control

The logo is designed to be used on a white or light background.

When the logo is placed on a black or dark background, use the secondary color or white one color version.

When the logo is placed on a photographic image, the background should always provide sufficient contrast to the logo. Textured backgrounds should never visually compete with the logo.

Never place the logo on backgrounds that do not provide sufficient contrast.

Logo: Incorrect use

Incorrect usage of the logo can jeopardize the trademark rights and create confusion in the marketplace. These examples show how the logo should NOT be used:

- > Do not use colors other than those specified by this guideline
- > Do not outline the logo
- > Do not stretch or skew the logo
- > Do not scale the logo disproportionately
- > Do not change the proportions of the elements
- > Do not place the logo within another shape
- > Do not re-create the logo with an alternate typeface
- > Do not create a screened-down version of the logo
- > Do not flip the logo in reverse
- > Do not change the appearance or shape of any elements in the logo
- > Do not combine the logo with any other graphic elements
- > Do not use any element of the logo as a substitute for the corporate identity or company brand name, such as in headlines, titles or text
- > Do not incorporate any element of the logo into another graphic or logo
- > Do not split any element of the logo
- > Do not use the logo as a design device or element, such as in a repetitive or 3-D manner
