

Create a Home Screen Shortcut to the HSER Resources Hub

Want quick, easy access to the HSER Resources Hub from your phone? Follow these steps to add the Hub to your home screen and use it like a mobile app.

- Open a web browser on your phone
- Go to expandenergy.com/hser-resources
- Tap the share icon or the three dots in the bottom footer
- Select 'Add to Home Screen'
- Shorten the name of the page to 'HSER Resources'
- Make sure 'Open as Web App' is selected
- Click 'Add'

The X icon will now appear on your phone home screen. Tap it to go directly to the HSER Resources Hub.
