NORTHEAST APPALACHIA

Expand Energy is proud to be your Pennsylvania neighbor.

Expand Energy, formed in 2024 through the combination of Chesapeake Energy Corporation and Southwestern Energy Company, is the largest natural gas producer in the U.S. and a leading producer globally.

The energy we produce in Northeast Appalachia is 100% responsibly sourced and lower carbon.

Our natural gas assets strengthen our local communities by generating quality jobs, royalty payments, tax revenue and charitable donations.

Above all, we are committed to providing a safe and environmentally responsible work setting for our employees, contractors, landowners and the communities where we operate.
