

## Expand Energy Discount Options

Expand Energy offers two early pay discount options. These options are Flex Pay or Standard Discount. See below for more detail.

### Standard Discount

1%/45 net 60 or 2%/30 net 60 is an option for all of your invoices. If you are interested, please contact [supplierrelations@expandenergy.com](mailto:supplierrelations@expandenergy.com) for the next steps.

### Flex Pay Discount

Flex payment discount option is for invoices that are approved in our system and waiting for a due date before the check is cut. Program features include:

- Your company will receive a daily email with an excel attachment listing your invoices that are approved and eligible for early payment.
- You could select some, all or none of your invoices that you want to receive an early payment discount.
- Each invoice is eligible for a different discount based on your selection from the below discount options.
